Dear Mr Gallagher

**Statement by Planning Convenor**

Thank you for your email of 20 October 2011 regarding your statement at the Development Control Committee on 19 October 2011.

Councillor Band was correct in his statement that the meeting was not to debate whether there should be an incineration plant at Binn Farm as full planning consent has already been granted by the Council at the Development Control Committee meeting on 17 September 2007.

This was indeed a stand alone application as there is already an existing, stand alone planning consent for an incineration facility on this site.

I trust you will find the above information useful.

Yours sincerely

Bernadette Malone  
Chief Executive
